Multivista's partnership with Kirloskar Brothers crossed a new milestone with the recent establishment of an authorized refurbishment centre (ARC), a one-stop shop for complete pumping solutions, at Hospet in Karnataka. The event was presided over by Mr. Sanjay Kirloskar, Chairman & Managing Director, Kirloskar Brothers Ltd.

The centre now offers Multivista's customers a one-stop shop for complete pumping solutions. It provides proactive services and implements upgraded methods to increase the efficiency of pumps. The range of services covers assembling and dismantling, overhauling of pumps,

corrocoating, hydro-testing, pump testing, shot blasting and impeller balancing.

Original & customized parts, KBL-approved processes & guidelines, assurance of quality, personalized attention, reduced mean time to repair and quicker, faster and proactive service

delivery are among the benefits offered by ARC to customers.

The facility is now fully functional and is ready to support Multivista's customers in the southern region.

For over three decades Multivista's partnership with the Kirloskar Group continues to redefine and

set new benchmarks in the industrial products distribution space. This partnership has given customers world-class industrial products, cutting-edge technology related to air, liquid and prime mover solutions, seamless supply chain integration for products and services, and dedicated and a far-reaching network for pre-sales and after-sales support.

Multivista is proud to be the channel partner for three of the Kirloskar Group companies – Kirloskar Brothers, Kirloskar Pneumatic and Kirloskar Oil Engines – which are truly global leaders for their products and solutions offering. Multivista's association with the Kirloskar Group, started in 1982, has grown from strength to strength over the years. This journey has withstood the tests of time and reflects the deep-rooted corporate philosophy at Multivista which echoes "Times Change, but Values Remain".
