Introduction:

Multivista Global Printing Division is committed to conducting business in an environmentally and socially responsible manner. As part of our dedication to sustainability, we expect our suppliers to adhere to the highest ethical, social, and environmental standards. This Supplier Code of Conduct (COC) outlines our expectations and commitments to sustainable practices.

Supplier Commitment:

By signing this COC, the supplier commits to aligning its operations with Multivista Global 's sustainability values. This commitment is in line with our participation in the Science-Based Targets initiative (SBTI), demonstrating our dedication to achieving ambitious climate goals.

Geographical Scope:

Multivista Global Printing Division exports to countries such as Europe, the UK, USA, and Australia. Suppliers must be aware of and comply with the sustainable procurement requirements of these regions.

Key Expectations:

1. Environmental Compliance:

- Suppliers must comply with all applicable environmental laws and regulations.
- Implement sustainable resource management practices, including waste reduction and recycling initiatives.

2. Social Responsibility:

- Uphold human rights and treat all employees with dignity and respect.
- Promote diversity, inclusion, and equal opportunities within the workplace.

3. Ethical Conduct:

- Conduct business with integrity, honesty, and transparency.
- Prohibit bribery, corruption, and unethical business practices.
